# MONEY GO-ROUND

## FOR FREE!

### YOU ARE INVITED

to join your community and gain information and tools to help with money management around bills and living costs

This COVID safe session is for everyone - we all have financial challenges to understand bills, entitlements, services and the general 'money go-round' putting pressure on us living in these crazy times.

You may have questions about deals and support for bills, managing or meeting your costs of living and the kid's schooling... maybe you are an elder and need a sounding board...

We have tools, skills and resources we would like to share with you. Please join us at one or all sessions in Corinella and Wonthaggi
